# WHY SHOULD YOU INVEST IN A SECOND CITIZENSHIP?

Second citizenship or residency unlocks a better future, offering significant benefits for business owners, travellers, and families seeking greater security.

VISA-FREE TRAVEL

A SAFE FUTURE

FINANCIAL FLEXIBILITY

EDUCATION  
OPPORTUNITIES

SAVORY & PARTNERS

## VISA - FREE TRAVEL

The freedom to travel wherever and whenever you want, is **priceless**.

Your second citizenship will give you, your **family**, and future **generations** the ability to travel the world.

Depending on your choice, your second passport can offer visa-free access to destinations like

- United States
- United Kingdom
- Schengen Area
- Hong Kong
- Singapore
- China

And many more.

SAVORY & PARTNERS

## PERSONAL SAFETY

Access to **healthcare** and **consular services** around the globe increases the future security for you and your family.

In the event of political uncertainty, you will have a **safe haven** for your family to take shelter.

**Diversifying** your assets across the globe protects you against geographic-specific events that may cause your asset values to drop.

SAVORY & PARTNERS

## FINANCIAL FLEXIBILITY

The prestige of owning a second citizenship opens the door to new business **opportunities**:

- Never miss another **business meeting** due to lengthy and uncertain visa applications.
- **Expand** your business and open offices overseas.
- Access **reduced** lending rates from international banks.
- Asset **diversification** – real estate, banking, investments.

SAVORY & PARTNERS

## EDUCATION OPPORTUNITIES

As members of the **Organisation of American States**, Caribbean Citizens can participate in the **Professional Development Scholarship Program** and UK university quotas for **Commonwealth Citizens**.

As a member of the **European Union**, citizenship of **Malta** opens the door to attending university in any European country at **preferential rates**.

The UWI fund in Antigua & Barbuda offers one year of **free tuition**, and **St. George University** in Grenada is a **world-renowned** medical university.
